SAMCHULLY

Daca nu se precizeaza altceva, toate dimensiunile sunt date in mm, cu exceptia danturilor 1/16" si 3/32".

Articolele afisate sunt doar sugestii. Inaintea utilizarii, va rugam sa verificati daca solicitarea dumneavoastra de prindere corespunde specificatiei indicate de producatorul universalului. Verificarea se face pe baza instructiunilor de utilizare sau a altor documente tehnice ale universalului dumneavoastra. Va rugam sa observati mentiunile pentru unitatile de impachetare.

Toate preturile afisate sunt nete si „ex-works”. La livrarile pe teritoriul Germaniei se adauga TVA.

Oferta nu implica obligatii si este strict comerciala. Drepturi rezervate pentru modificari, greseli de tipar si erori.

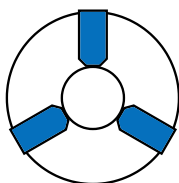

Daca nu gasiti un anumit produs sau aveti intrebari ori sugestii, va rugam sa luati legatura cu echipa Kitagawa.

Bacuri frontale
moi

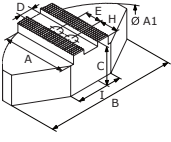

A technical drawing of a rectangular soft front plate. The drawing shows a perspective view of the plate with a textured surface. Dimensions are labeled with letters: D is the top width, H is the top height, E is the top depth, C is the front height, A is the front width, and B is the side width. The plate is shown with a central horizontal slot and two circular holes on either side.

Technical drawing of a front scraper (Bacur frontal) showing dimensions A, B, C, D, E, and H. The drawing is a 3D perspective view of a rectangular block with a central longitudinal slot. Dimension A is the length of the block, B is the width, C is the height, D is the width of the top surface, E is the width of the slot, and H is the height of the slot walls.

A technical drawing of a scraper back. It shows a rectangular base with a raised, ribbed section on top. The dimensions are labeled: A is the length of the base, B is the width of the base, C is the height of the base, D is the width of the ribbed section, E is the height of the ribbed section, and H is the total height of the ribbed section.
